IT IS HARD

----To convince your children that the church is the most important thing in the world when you are negligent about attending its services and supporting its work.

----To convince your children that the church is the greatest institution in the world when you permit them to miss services to go elsewhere.

----To convince your children that the church is to be held higher than anything when you insist that they do their homework for public school but permit them to neglect their Bible Study.

----To convince your children that the church is the world's most important institution when you give little to finance its work and encourage them to do likewise.

----To convince your children that they should respect the church when you continually criticize the leadership, belittle the teachers' work, and appear a habitual fault-finder.

THANK YOU

Thank you so much for making this year's VBS such a great success! Our heartfelt appreciation to all our teachers and helpers along with many others who worked behind the scenes. We are very grateful to all who attended and especially those who made it possible for their children and other children to attend. Great job!
